Dear Animas Watershed Partner,  
Animas water quality in the news! Unfortunately, the article confused the Animas Watershed Partnership with the Animas River Stakeholders Group, but otherwise provides good information and mentions our sampling effort last year.

Best,  
Ann Oliver

## **durango water quality**

Daily update ☐ June 4, 2015

### NEWS

#### Nature center careful about **water** play

The Durango Herald

Durango Nature Studies is taking precautions at its summer camp south of **Durango** as a result of poor **water quality** in the lower Florida River.
